Liquore, Italy

STELLA AZZURRA SAMBUCA

Liquore with spice sweet taste and aroma of anise. Made in Italy. Produced from natural ingredients in several steps.

To produce the basis of the drink, a flavorful bouquet of anise seeds is made. Then other ingredients are prepared: ethyl alcohol, water and sugar. Then all the ingredients are slowly and softly blended and filtered.

Sambuca Stella Azzurra can be consumed individually, as a digestive, emblazed with coffee seeds, diluted with water, milk, or as a part of a cocktail.

Plum Wine with fruits, China

SNOW PRINCESS

Snow Princess white with fruit.

Plum wine with entire white plums inside the bottle has light green goldish color and a strong aroma of blossoming almond, emphasized by the thick honey taste of plums. All that reminds of colorful atmosphere of China. The taste is sweet and rich, but at the same time with a slight sour taste thanks to a high amount of fruit acids.

Snow Princess red with fruit.

Entire red plums — is a pleasant addition to this refreshing and strong Chinese transparent-red goldish wine. Intense aroma of almonds, emphasized by the thick honey taste of red plums, reminds of Chinese gardens. Fruit acids don't let the wine be too sugary, conferring it a pleasant freshness.
